NHTOA programs and policies are consistent with pertinent Federal and State laws and regulations on nondiscrimination regarding race, color, national origin, sex, sexual orientation, age, handicap or veteran's status.

Timber Talks

These sessions inform our members and guest about legislative topics and regulations that could impact the value and enjoyment of their land.

Join us as a **Member** - The NHTOA is a non-profit membership group made up of landowners like you. As a member you receive information on issues important to you and the management of your property. You also will receive discounts for classes sponsored by NHTOA.

Please call (603) 224-9699 for more details.

Workshop Details

New Hampshire has a rich history of supporting outdoor recreation on private land. The New Hampshire Timberland Owners Association, N.H. Tree Farm Program, and Quality Deer Management Association First N.H. Chapter, are pleased to sponsor this discussion and informational session for landowners who allow outdoor recreation on their property.

- As a forest landowner who allows recreation on your property, what is your liability if someone gets injured?
- What state laws and programs exist to protect you and what new legislative efforts are in the works?
- And as a landowner, what can you do to mitigate your exposure to risk?
